

AUSTRIANS RECAPTURE PRZEMYSL

GALICIAN FORT HOLDS THE KEY

Crucial Point in Campaign at One of the Theaters of the War Is Passed Today

(By Associated Press.)
VIENNA, June 3.—Przemysl has been reclaimed by Austria. It is officially announced that the great Galician fortresses won by the Russians ten weeks ago, after a long struggle, have been recaptured. The Austrians entered Przemysl early this morning after hammering with their heavy guns for more than twenty days. With Przemysl in their hands, the Germans and Austrians have concluded the first phase of the new Galician campaign. Occupation of this fortress removes the danger of Russian threat against Cracow. Przemysl was captured by the Russians in March after one of the longest sieges in modern warfare. The Austrian garrison originally consisted of 170,000 men, of whom 40,000 were killed.

JUDGMENT ENTERED IN MINE LITIGATION

In the case of the Jim Butler Tonopah Mining company against the West End Consolidated Mining company, judgment was rendered this morning in favor of the West End company, dismissing the action and dissolving and discharging all injunction orders heretofore made in the case. The court, at the request of the Butler company, issued a show cause order directed to the West End, returnable on June 10, as to why an

injunction should not be granted pending the perfection of motion for a new trial and an appeal by the Butler people from the judgment. A hearing will be had on June 10 as to whether such an injunction order should be made. Meanwhile the West End company is bound by the stipulation, which was made in open court through its attorneys, not to enter upon the disputed area for fifteen days, expiring June 10.

U. S. STEEL CORPORATION WINS CASE

(By Associated Press.)
TRENTON, N. J., June 2.—The decision in the United States Steel corporation suit has been filed in the federal district court. It is held that the corporation should not be dissolved. The principal points of the decision are: It refuses to issue an injunction. It holds that foreign trade by the steel corporation is not a violation of the Sherman law. It

holds that certain price fixing agreements which followed the Gary dinners, but which stopped before the bill was passed, to have been unlawful. It allows the government to move to retain jurisdiction of the bill if such price fixing practices are renewed, but suggests that matters may now be controlled by the new trade commission.

BUSINESS MEETING WOMAN'S CLUB HELD

SCHOOL PLAYGROUND EQUIPMENT WILL NOT BE MOVED TO NEW SITE

A special meeting of the Tonopah Woman's club was held at the home of Mrs. J. E. McNamara for the purpose of transacting a number of business matters. Upon request of the school board the playground equipment opposite the school will be left in its present location until the arrival of the new superintendent, Mr. Dillworth, instead of being moved to a new site as planned.

The matter of moving picture films of particular interest to children was again brought up and a request has been made to the Woman's Home Companion for its list of such films and full information as to where they may be obtained. Arrangements are being made to serve a cafeteria luncheon throughout the day on July 4th. The cafeteria will be located at some central point on Main street and will be open the entire day for those desiring to spend the day down town.

EVIL OF DISCRIMINATION AGAINST ADOPTED CITIZENS

(By Associated Press.)
LONDON, June 3.—"It would be politically wrong, as well as morally unjust, to intern naturalized British subjects or in any way to discriminate between them and native citizens," declares the London Law Journal in a forcible article on the treatment of aliens.

"No support can be given," declares this journal, "to any of the threatened steps against those who have been naturalized and have become British subjects. Discrimination between citizens is like an evil growth in the body politic, and the damage is vital, because the disease grows by what it feeds on."

N. L. SCHADE returned this morning from Reno, where he went on business for the Nevada Film company.

San Marino Joins

(By Associated Press.)
AMSTERDAM, June 3.—A dispatch says that San Marino, a little republic on the Adriatic, surrounded by Italian territory, has officially approved of the Italian attitude toward Austria, and has declared itself to be in a state of war. San Marino has an area of 22 square miles. It is situated on a mountain 9 miles from Rimini. This deprives Austria of using San Marino as a place of refuge for aeroplanes.

Village Burned

(By Associated Press.)
VIENNA, June 3.—The Austrians are withdrawing from their positions along the Fiemme valley. They virtually destroyed the health resort of San Martino de Castrozza. The village contained eight hotels, which were the property of Germans and Italians.

Dispute Still On

(By Associated Press.)
PARIS, June 3.—Rumania and Russia are apparently unable to compose their differences concerning the adjustment of the Russian boundary. Rumania's entrance into the war is reported to be conditioned on such an agreement. A Milan dispatch says that King Victor has offered his services as intermediary.

Transport Sunk

(By Associated Press.)
LONDON, June 3.—A British submarine in the Sea of Marmora today torpedoed a German transport, it is officially announced.

Cruiser Damaged

(By Associated Press.)
GENEVA, June 3.—Two Italian torpedo boats entered the Gulf of Trieste and sank two merchant vessels and damaged an Austrian auxiliary cruiser, according to a dispatch.

TONOPAH WILL CELEBRATE THE FOURTH

Tonopah will celebrate Independence day in most patriotic, enthusiastic and elaborate manner. It was so decided last evening at a public meeting held in the Sprague company's office. Permanent organization was first effected by the selection of the following officers: J. W. Lawry, chairman; F. A. Burnham, vice-chairman; R. J. Highland, secretary, and Charles Wittenberg, treasurer. Mr. Burnham then occupied the chair and appointed the following executive board, which was ratified by the meeting: the four elected officers ex-officio and Messrs. Letson Balliet, W. B. Evans, Henry Kelley, F. J. Cavanaugh, Nick Ableman, Rev. R. W. Bayless and W. M. Gotwaldt.

The meeting then discussed at length a tentative program and it was

found that if it were to be successfully carried out it would require more than one day for the celebration. Whether it will be two or three days will later be decided by the committee. Mrs. J. E. McNamara, president of the Tonopah Woman's club, addressed the meeting. She said that the club would do everything possible to make the celebration a success. Other remarks were made by those present, after which the general meeting adjourned sine die and the executive board went into session. Nothing definite was accomplished at the first meeting except to request Acting Secretary Grier to send letters of invitation to all the cities and towns of southern Nevada to join with Tonopah in the celebration of the day.

JUMBO EXTENSION RESUMES SHIPMENTS

(Special to the Bonanza.)
GOLDFIELD, June 3.—This morning the Jumbo Extension mine resumed shipments after a virtual suspension of production for three months. The last regular shipment of ore was sent out on March 4th. Since that date 55 men have been steadily employed, machinery was meanwhile installed on the new Velvet shaft and sinking actively begun. During the interim shipping was restricted to removing ore from drifts and bins which at times were so congested as to threaten interference with operations.

Two carloads go out today to the Western Ore Purchasing company as the forerunner of daily shipments which will be continued indefinitely until the completion of the new shaft.

LAST CARLOAD OF PIPE NOW LOADED

ROUND MOUNTAIN WATER LINE IS NOW APPROACHING COMPLETION

The last carload of steel pipe for the hydraulic line of the Round Mountain Mining company has arrived in Tonopah and is being loaded on the trucks of the Wittenberg Warehouse and Transfer company to be forwarded to Smokey valley. The last consignment of pipe that came via Austin has also been delivered, 130 head of stock being required for its transportation.

This pipe is being laid as fast as it is received and the pipe line, eight and one-half miles in length, is now nearly completed. Within ten days General Superintendent Ernest expects to have the water shooting through the nozzles on the placer gravel.

BOHEMIA'S HAUNT CLOSED

(By Associated Press.)
PARIS, June 3.—The restaurant Baratie, famous night resort of the quarter of the Central Markets, has been closed and will probably never be reopened. No resort in the world was better known to high livers and pleasure seekers of all climes.

enables the management to increase this tonnage. These cars will average 43 tons to the car and the values will be held down to \$60 a ton to secure the lowest efficient treatment charge. Six carloads a week will go out, or one car for each train day since there is no service on the Las Vegas and Tonopah road on Sundays. On this basis the gross revenue will be approximately \$60,000 a month and there is no danger of any shortage of ore either in the matter of quality or quantity.

On the \$84 level the highgrade drift has been advanced over 250 feet until it became certain there was no immediate evidence of exhaustion. Then Consulting Engineer Turner resolved

"HEN PARTIES" ARE NOW QUITE THE FASHION

(By Associated Press.)
LONDON, June 2.—War has led to a notable increase in social comradeship among English women and has broken down the former prejudice against what are popularly and contemptuously known as "hen parties." Numerous clubs have sprung up, such as the Lady Workers' club, for lonely women earning moderate salaries. This club keeps open from 4 to 9 p. m. on work days and from 2 to 9 p. m. on Saturdays and Sundays. Its objects are purely the cultivation of friendship, without bridge or any kind of propaganda.

GERMAN NOTE CALM BUT FIRM

Passengers and Crews of All Neutral Vessels Must Be Afforded Protection

(By Associated Press.)
WASHINGTON, June 3.—President Wilson worked most of the day on his new note to Germany. The situation has developed to a point where, although the visit of Bernstorff yesterday is likely to enlighten Berlin on the attitude of the United States government, it is unmoved in its intention to determine promptly whether the German submarine commanders will hereafter respect the principles of international law. The purpose of the new note will be to ascertain whether Germany in the future when encountering vessels of any nationality, unarmed, will transfer the passengers and crews to places of safety. Should the vessel carry contraband it would be certain of condemnation in a prize court, and therefore subject to destruction. The note will again state that the Lusitania was unarmed.

JAPANESE RIOTERS PUT UNDER ARREST

PEOPLE MAKE DEMONSTRATION AT TOKYO AGAINST THE GOVERNMENT

(By Associated Press.)
TOKYO, June 3.—An anti-government mass meeting here resulted in serious disturbances. Many arrests were made. Manifests issued by the organizers of the meeting were confiscated. Reinforcements of police were sent throughout the city.

PANAMA CANAL ON GOOD PAYING BASIS

FIGURES INDICATE OPERATIONS OF BIG DITCH WILL YIELD A PROFIT

(By Associated Press.)
PANAMA, June 3.—The Panama canal will have earned in the first year of its operation sufficient to pay all its running expenses and probably leave a small surplus, according to the figures now being compiled in the office of the canal auditor. The loss now is about 5 per cent as against 20 per cent at the end of February. The deficit of about 20 per cent incurred during the first eight months of the waterway's operation has been nearly eliminated and will be completely wiped out by June 30, when the first year of operation will end.

Nearly every month of the last nine has shown an increase in the tolls earnings. Tolls for April, however, were slightly lower than those for March, which were a record. It is declared the tolls for May will equal if not exceed those for March.

RESCUE WORKER IS VISITING TONOPAH

MRS. JENNIE G. NICHOLS HERE IN INTEREST OF WORTHY CAUSE

Mrs. Jennie G. Nichols, known as "The waif's friend and child helper," is here from Oakland on child rescue work. She said regarding her institution:

"The object of the corporation, which has its headquarters at Oakland, is to rescue orphans, abused and abandoned children from the streets and from unnatural homes, and fit them to become useful members of society; to make them honest, law-abiding citizens, and to decrease, as much as possible, the supply to the ranks of pauperism and crime. We ask you to assist to make worthy men and women of these children who have been thrown upon our care by unfortunate circumstances over which they have no control. The age limit is from babyhood to 18 years of age."

"STARVING MEXICO" SENDS AN APPEAL

CARRANZA CAVALRY ROUTED BY VILLA, WHO TAKES SILAO

(By Associated Press.)
WASHINGTON, June 3.—Carothers has reported that Villa troops have captured Silao and routed the Carranza cavalry. General Obregon is surrounded at Trinidad by Villa infantry and has lost his trains and quantities of supplies. The international relief committee of Mexico City has sent out an appeal for "starving Mexico." Food supplies in the capital are nearly exhausted. The only hope of aid is from the United States.

EDITOR ALLEGED TO ASSIST REVOLUTION

HARRISON GRAY OTIS CHARGED WITH HIDING LEADER OF INVASION

(By Associated Press.)
LOS ANGELES, June 3.—M. S. Zegg, a self-styled Mexican revolutionary general, acknowledged on the witness stand at Superior that he had been engaged by Harrison Gray Otis, owner of the Los Angeles Times, and Gen. B. J. Viljoen, a former Boer leader, to organize a revolt in Lower California. This is the alleged project which recently resulted in the indictment of Otis' son-in-law, Harry Chandler, on a charge of conspiracy to violate American neutrality. Zegg is being tried on the charge of issuing a worthless check in payment for field equipment for use in the invasion of Lower California.
